Boys & Girls Club of Southwestern Oregon’s  
Annual Banquet & Auction for Kids

Dear Friends,

On November 2, 2018, the Boys & Girls Club of Southwestern Oregon will host our biggest fundraiser of the year, the Annual Banquet & Auction for Kids. This event is attended by over 300 community leaders. We hope you will consider making a contribution to this important event.

Our vision for Boys & Girls Clubs is simple – every youth who enters our doors graduates from high school with a plan for the future. We are focused on three outcome areas: academic success, good character and citizenship, and healthy lifestyles. The Formula for Impact is the key that will improve results, and transform and save more lives.

Each year over 2,800 youth, between the ages of 6 and 18, participate in after school activities in the areas of education, recreation, peer leadership, character development, the arts and physical fitness. They learn computer skills while using state-of-the-art technology; they receive assistance with their schoolwork; they learn from trained staff and volunteers who serve as role models and mentors.

Please consider one of the many options to contribute to the event. If you are interested in more information, please call Rob Miles at the Club office, 541-267-3635.

Thank you for understanding the important role the Boys & Girls Club plays, and the impact your donation will have on the future of the children in this community.

Sincerely,

*Rob Miles*
